

Meet Our Chef

Saravan ("Sam") Krishnan comes from a long lineage of Chefs. His culinary passion was first nurtured in his native village near Madurai, nestled in South of India, where he learnt the importance of fresh traditional Indian herbs and spices. Exploring his passion further, he developed the creative talent that has become a trademark of his cuisine.

Chef Sam displayed his culinary skills during a successful 15 year stint as Head Chef at Udipi Palace in Langley Park, Maryland. Since then, he has led the culinary staff at several successful restaurants.

As the Head Chef of the Curry Leaf, Chef Sam takes great pride in staying true to the real origins of each regional dish, meticulously recreating the flavor and taste that one would associate only with traditional home cooked food. We bring to you authentic Indian Cuisine from the heartland of India and beyond, set in a warm and welcoming ambience.

Welcome to Curry Leaf and enjoy your meal!
